

Referral System

To thank you for spreading the word about my Essentrics and BandCamp classes, I am implementing a referral system effective January 1st, 2021.

You will receive a discount for every client you refer to me who signs up for a 5 or 10 class pass.

Referral and Discount:

- 1 client = 10% discount on your next class pass (5 or 10)
- 2 clients = 15% discount on your next class pass (5 or 10)
- 3 clients or more = 20% discount on your next class pass (5 or 10)

Rules:

- 1) Referred clients must sign up and pay for either a 5 or 10 class pass before you are eligible for your discount
- 2) When you are due to pay for a new class pass, the number of referrals received prior to payment will determine your % discount
- 3) Once you have paid for a new class pass including your discount, you are back to “zero” in regard to number of clients referred and may start with new referrals

Thank you for your continued support and faith in my services. Thank you for spreading the word. You truly are my best ambassadors.

With gratitude,

Lynne
